## Parents/Guardians and Students

### COVID-19 Information Screening Questionnaire

Parents/guardians must use this questionnaire **daily** to decide if their child should be in school. Students 18 years of age and older will use the questionnaire daily to determine if they should be in school.

**This questionnaire must be reviewed daily, but this form is not required be submitted to the school.**

Does your child or a student 18 years of age or older have any of the following symptoms of COVID-19?

- Fever
- New onset cough
- Chills
- Unexplained fatigue
- Headache
- Sore throat
- Runny nose
- Stuffy or congested nose (new onset and not allergy related)
- Lost sense of taste or smell
- Difficulty breathing
- Difficulty swallowing
- Pink eye
- Digestive issues (nausea/vomiting, diarrhea, stomach pain)
- For young children, sluggishness or lack of appetite

**OR**

Has your child or a student 18 years of age or older been exposed to someone with COVID-19 or someone who has developed new respiratory symptoms?

**If your child or a student 18 years of age or older has any of the above symptoms or has been exposed to someone with COVID-19, please contact your health care provider or visit an Assessment Centre for testing. The student should not attend the school until:**

- a COVID-19 test is obtained and the result is negative, and they are symptom free for 24 hours after the negative test result; OR
- You provide documentation from a health care provider or assessment centre stating that you were assessed, outlining the date the student is able to return to school; OR
- The student has self isolated for 14 days.
